TOTAL ANNUAL
Savings Generated

\$72.4K

AVERAGE ANNUAL
Savings Per District

A Few of the Notable School Districts We Serve:

Education Sector Success

See why Commercial Energy customers view us as the **Trusted Energy Advisor**

The switch to Commercial Energy as the district's natural gas supplier has provided LUHSD with an **annual budget formula that allows us to mitigate market fluctuations**...once you become a client of Commercial Energy, you truly have a partner that is an **expert within the energy market** and will continue to make recommendations for savings.

Dina Stewart
Chief Business Officer
Liberty Union High School District

Commercial Energy **proactively reached out** when there was an unexpected drop in the energy market and provided our District with a **20% rate reduction**...in addition, Commercial Energy's **continuous bill auditing solution has saved the District over \$100,000** by optimizing our electric rate schedules and obtaining historical refunds.

Alvaro Meza
Assistant Superintendent of Business Services / Chief Business Officer
Gilroy Unified School District

The Commercial Energy team was **the first to warn us of an upcoming price spike** in natural gas rates and developed a strategy to lock in a significant reduction in our next fiscal year... **we trust Commercial Energy to help keep energy prices as low and stable as possible** for the District.
